0 port used It actually varied between approximately 5 and 10 seconds Waiting longer till the closing of files had completed resulted in no errors.. The delay in closing MakeHuman maybe because of this old laptop's CPU / memory speed coupled with the USB 2.. org The new official page of MakeHuman project is www makehumancommunity org, a great site maintained by the MH community that includes many services and tools: MakeHuman development, forum, bugtracker, FAQ, documentation and more.. It's pre-alpha, with only a part of new features please read this: MakeHuman official page has moved.
